

TO DEDICATE CHIME OF BELLS.

**Elaborate Services Will Be Held at
Grace Episcopal Church.**

Elaborate services will be held at Grace Episcopal church to-morrow morning in connection with the installation and consecration of the chime of bells presented by Mr. and Mrs. R. Floyd Clinch, who also defrayed the expense of erecting the tower containing the chimes, and of placing in it a clock and dials which are not yet completed. The clock movement will strike the Westminster chimes at the quarter hours, and the hours will be sounded on a large bell.

The tower, bells and clock are a thank offering for the recovery of Mrs. Clinch from illness, and a memorial for her sister, Margaret S. Ley.
