

Evanston To Get Carillon

Seabury-Western Theological Seminary, Evanston, is to receive a 35-bell carillon as a memorial to the late Laurance H. Armour Sr.

Mrs. Lacy W. Armour and her son Laurance Jr., of Lake Forest, are the donors.

Twelve bells from the seminary's present set of chimes will be included in the carillon,

THE EPISCOPAL seminary hopes to have the carillon bells, to be cast in Holland, installed by January, 1954. The chapel tower is to be remodeled for installation of the carillon.

The Armours will also present a practice clavier to permit the carillonist to practice without sounding the bells.
