

TO ADMIT CHIMES FOR GLOUCESTER FREE

Lodge Obtains Consent for Imme- diate Passage of Bill

HERALD BUREAU }
WASHINGTON, Feb. 6. }

Senator Lodge this afternoon obtained unanimous consent for immediate passage by the Senate of his bill to admit, free of duty, a carillon of English chimes for the Church of Our Lady of Good Voyage, at Gloucester. The church is attended largely by Portuguese fishermen. The carillon consists of 25 bells, controlled by a keyboard. A similar bill has been introduced in the House by Congressman Andrew of Gloucester.
