**Mr. Harry van Bergen installing "Bells of Joy"
Schwarzwald Lutheran Church.**

Seeing the well-designed tower, Pastor Harding was prompted to secure twenty-four donors for bells cast in Holland. The largest of the bells weighs 1,125 lbs. and the smallest only 33 lbs. The "Bells of Joy" were dedicated on May 3, 1964 with Mr. van Bergen's son, Harry, Jr., playing at the console. At the time, only 5 other Lutheran Churches in the United States had carillons.
